Life meets luxury at the roundabout of Quezon City and Manila. Located at the intersection of these two thriving cities, Sun Residences addresses the need for a more balanced lifestyle, with amenities like lounges, landscaped gardens and swimming pools. Sun Residences offers the perfect setting to accomplish the demands of everyday life. With easy access to schools, and medical institutions, and the convenience of having its own Sun Mall, this 40-storey tower development makes life more comfortable for would-be-residents.
